4. I further understand that:

  - a. When, in the view of the faculty, the school is unable to meet the educational or social/emotional needs of a student.
  - b. Lack of parental support of the teachers' work that risks the progress and healthy development of the students. For example, persistent non-attendance at parent interviews, non-support of homework, persistent lateness and/or unacceptable levels of absence, disregard of school rules, persistent non-compliance with recommendations, etc.
6. I hereby grant permission for my child to use all the play equipment and participate in all school activities.
7. I hereby grant permission for my child to be included in academic assessments and competitions that the school chooses to participate in.
8. I hereby grant permission for my child to use the internet for academic purposes.
9. I hereby grant permission to share my email with ABA to send me information related to their activities.
10. I understand that ABA may not have the resources or facilities to accommodate special needs students, gifted children, and children with learning and physical disabilities.
11. I understand and agree that the school will not be responsible for anything that may happen as a result of false information given or information withheld at the time of enrollment and any such false information may lead to my child's dismissal from the school.
12. I acknowledge that I understand the programs which my child will be participating in as a student of ABA and have had all my questions answered to my satisfaction.
13. As the parent and child, we agree not to post on the Internet or to text anything that may be embarrassing or hurtful to other student and to respect the privacy of others as we hope others will respect our privacy.
